

## Help Us Help Your Community!

For over 50 years, community has been at the heart of our business. With the Piggly Wiggly Shares Program, you now have an easy way to earn funds for your charitable organization.

Next time you shop simply let the cashier scan the bar code on this flyer, along with your PFC card. That's It! You are now enrolled in this charity's Shares Account. Every time you use your PFC card on future visits with us, a percentage of your purchases are automatically added to the Shares account. Each quarter, a percentage of the total Shares Account purchases will be donated to your charity.

If you don't already have a free PFC card, we can sign you up for an instant issue one today at any Piggly Wiggly location.
