Gifts for Learning

Dear Parents:

The Gifts for Learning Program was created in order to provide your child's classroom with items that will enhance learning. Below you will find a list of items that your child's teacher has identified as beneficial for this school year. These items would provide great gift ideas for the approaching holidays, for the teacher's birthday or at any time you wish to express your appreciation, support and encouragement.

A master copy of all Gifts for Learning requests can be found in a notebook in the front office. It will be updated as items are received by your child's teacher. Please feel free to consult this notebook to know which requests remain outstanding.

Sincerely,
Jennifer Lott
