Dear business owner,

We are excited to start the 2023-2024 school year at Satchel Ford Elementary School! The PTO, along with our teachers and administration, have been working hard to help make this a great year for our students.

Part of what makes a school successful is support from the local community. As a business owner in our community, we hope that you will partner with us to help fund programs and activities that will enrich the learning experiences of our children. Your financial donation will directly impact students and teachers by helping fund projects like classroom resources, technology upgrades and improved facilities.

To recognize your contribution, Satchel Ford will provide opportunities to share information about your business with our school families. Please review the enclosed information and select how your business can partner with us. If you have any questions, please email me at mfgentry@hotmail.com.

We look forward to having you join the Satchel Ford family for the 2023-2024 school year!

Sincerely,

Melissa Gentry
